

The Typo

The telegram delivered to the Bingtown Humane Society last Tuesday put everyone in a tizzy, for it read DELIVERING 400 BEAGLES YOUR OFFICE THIS PM STOP PLEASE MAKE APPROPRIATE ACCOMMODATIONS STOP MEPTANG. After frantically trying to find room at the ranch for the influx of canines, most staff members were a bit annoyed when Meptang showed up and pointed out the typo (*not his fault*, he declared) in the message. Why, even the toothsome wares he and Klagmoor brought failed to offset their peevishness!
